Article III – Membership; Section 2 – Term of Membership

A member shall retain membership until said member releases membership voluntarily or no longer meets the qualifications for membership as described in these Bylaws.

- 2.1 Response Card. Each year, notification of the annual business meeting shall include a response card allowing members to indicate an intention to re-affirm membership in the Great Lakes Unity Region or voluntarily release their membership.
- 2.2 Contact Information. The response card will show the member’s current contact information and allow an opportunity for the member to update this information.
- 2.3 Lay Delegates. For member ministries, the response card will show the names of the ministry’s current lay delegates and allow the ministry to update this information.
- 2.4 Non-Response. Non-response is considered equivalent to releasing membership voluntarily. If no response is received from a member within thirty (30) days, an attempt will be made to contact the member before the member is made inactive.
- 2.5 Reactivation of Membership. An inactive member may reactivate their membership provided they meet the qualifications for membership as described in these Bylaws, by submitting a written request to the President of the corporation. This request may be submitted by email or US mail. The request must include current contact information and, for a member ministry, a list of lay delegates for that ministry.
