New Thought Unity Center of Cincinnati would like to host you and your leadership team for a day of sub-regional Unity Board Training and Development. Join us for an exciting day of exploration and discovery as we learn to co-create a masterpiece of spiritual community!

Through a highly interactive dialogue we will focus on:

- ◇ The important dance between spiritual awakening and spiritual and emotional maturity.
- ◇ Discerning the skills, tools, and best practices needed to move forward, organically, as a spiritual community.
- ◇ How the spiritual consciousness of a community's leaders powerfully shapes the consciousness of the community.

A healthy ministry depends on healthy leadership. This is a not-to-be-missed opportunity to share visionary, inspiring insights that will guide your spiritual community into an ever more vibrant and thriving future!
