

2021 Great Lakes LUT Report

Susan Liddell

Accomplishments

- LUT Email list is maintained and updated as Emails are returned or I am contacted by individual LUTs.
- Ongoing support to regional LUTs via phone calls and Emails. Topics have included obtaining CEUs, annual reports and conference information.
- Zoom calls have been held quarterly. An average of 8-10 people on each call. Lively discussion as we share information about our communities, resources and offer support and encouragement to each other.
- We will meet in person at the 2021 LUT Luncheon at the GLUR Conference. Greg Coles, Great Lakes Regional Representative will be our speaker.

Future thoughts/ plans

- Quarterly Zoom calls will continue with the next one planned for mid January 2022.
- Our Face Book page could be better utilized. I will be asking for assistance with this at the luncheon. A link to Instagram and other social media might be explored.
- I will continue to promote my availability/ support to regional LUTs.
- Expand the content of the Zoom calls by occasionally inviting speakers. Topics might include completing annual reports, YFM, self-care, etc.
