

GLR Position Statement

February 2026

The Great Lakes Unity Region of ministries and people foster unity where there is division. In this time when the sacredness of life in our region calls for our collective care and courage, we commit to living the divine power of love over fear, compassion over righteous judgment, and nonviolent social action over inaction.

We commit to being and living the One Presence and Power we call God as our oneness in and with all creation.

We affirm the inherent worth, dignity, and divine nature of every person. All people are welcome in our ministries.

Our ministries are safe spaces for every person.

Where there is harm to another person or to the Earth, we stand forth as leaders with prayer and action.

Forty Days of Prayer

January 26th to March 4th

Pray with Us

One Presence, One Power, God.

We are One Family, One Heart,
called to Peace, Love, Strength and Action.

And So It Is.
