

Continuation of the President's Letter from June 2025

A reminder that every ministry receives 4 legal votes, in addition to the spiritual leader's vote; at regional business meetings, and at the UWM annual meeting NOV 5th. in which we will make a decision regarding the merger. Be sure that your ministry's 4 delegates have filled out the appropriate paperwork in advance with UWM.

All are encouraged to attend the Town Hall sessions, Fireside Chats, etc. Find the link at the end of this newsletter, and on the GLR, and UWM, websites. My participation has been one of encouraging ideas to continue, and improve, representation from our field ministries and leaders. Contact me with any questions and/or thoughts and ideas that you want represented when I meet with 'Reimagine Unity' team members.

Let's give extra attention to Truth at this time of profound and also unsettling change on our planet. That which we call God is Oneness, doing the work of Oneness, inspiring Oneness through all. There is no lack in Oneness, and we receive clear guidance and abundant support!

Love, Kathy

Rev. Kathy Harwood-Long, President
