

Conference update on Covid Protocols:

In recognition of the continuing issues with Covid, these are the protocols we will follow. To begin, we will align with any facility, or governmental mandates and recommendations. Currently, there are no mandates in place, but everyone is encouraged to follow their inner guidance concerning their vulnerability. The Great Lakes Conference teams will provide masks if asked, and hand sanitizer and the facility is large enough for appropriate social distancing as requested. For those who are vulnerable or who choose to not attend we have an online option to attend the keynotes and business meetings including the town hall meeting with the Unity organizations.

These are the candidates for the Board election at the coming Fall Conference:

Kathy Harwood Long, Bio

As an ordained Unity Minister since 1989, it has been my joy to serve on teams in the NW and the Great Lakes Unity regions contributing knowledge, skill and experience related to effective communication, Youth and Family Ministry, and Earth Care. My years of working with teams, non-profit boards, and ministries have taught me to listen intuitively for ideas and energy-- and to actualize the spiritual creative process we teach. At a time in which we must evolve our spiritual understanding and our work, I appreciate this opportunity to be considered as a candidate for the GLUR Board of Trustees in service to God, our spiritual leaders, and our ministries.

Kathy Harwood Long, "Why Do I Want To Serve On The GLR Board?"

I am passionate to continue my work on behalf of our region's ministries, leaders and families. I appreciate my first year on the board with the trustees addressing internal changes of staffing and technology and want to continue working with the team to bring our work to the next level of effectiveness. Additionally, I want to support the rebuilding of our youth programs while creating innovative ideas to reach families.
